Yolo II

Information

YOLO II is a 52-foot Lagoon luxury sailing catamaran launched in 2013 and refitted in 2018. The catamaran is a bright and spacious vessel with plenty of options for dining, entertaining, relaxing, and fun. Indoors, Catamaran **Yolo II** is designed in a soothing color palette and light-colored woods. The salon features a lounge with an L-shaped sofa and set-in table which can be transformed into a formal dining space for six guests. Opposite is the fully-equipped galley with an island where your guest will prepare gourmet meals and treats throughout your charter. Wraparound windows bring natural light into the space while also offering a spectacular view. Glass sliding doors lead from the salon to the shaded aft deck. Here you'll find an al fresco dining option that includes a U-shaped lounger and table, and a separate daybed. The comfortable shaded flybridge has a seating area with a 360-degree view, perfect for enjoying a cocktail while taking in the beautiful vistas. Steps on either side of the aft deck lead to the sugar scoop transoms where guests can access the water and enjoy **YOLO II's** assortment of toys and sports. This includes a 13-foot tender, kneeboard, tube, scurfer, wakeboard, kayak, stand-up paddleboards, floating mats, fishing equipment, snorkeling gear, sea scooter, and underwater camera. Rendezvous diving can be arranged by request. Before resuming your time on deck, you can

rinse off in the deck shower.
