

Coral Ocean

Information

Coral Ocean is a 73-meter superyacht, originally known as Coral Island, built by Lurssen and designed by Jon Bannenberg. This iconic yacht, which revolutionized superyacht design, underwent a comprehensive refit in 2022, enhancing its luxury and modern features. The refit included a redesigned sundeck with glass balustrades, a spacious sun lounge, and a spa pool with a glass bottom.

The yacht offers exceptional entertainment areas, including a full-service bar, dining spaces, an observation area, an indoor sunbed with a retractable roof, and an outdoor area convertible into a disco. The Master Bedroom features panoramic views, skylights, en-suite facilities, and a private lounge. Additionally, the yacht includes a VIP Suite with a private lounge and four lavish guest bedrooms.

For recreation, Coral Ocean is equipped with various water toys and activities, including paddle boards, jet skis, and a sea pool. The yacht also has multiple tenders, including the 38-foot shadow vessel, Little Coral, for comfortable shore excursions. Offering world-class service, fine dining, and unparalleled luxury, Coral Ocean delivers an unforgettable yachting experience.

YACHT'S HIGHLIGHTS
